About

I'm Gideon, a passionate and experienced tech enthusiast with a deep fascination for innovation and problem-solving. With more than 1 year of experience in the tech industry, I thrive on tackling complex challenges and delivering innovative solutions.

Education

Lao Russell Memorial

Sept 2015 - Aug 2021

Experience

Learnuel Tech   Sept 2022 - present
Front-End Stack Developer

Collaborated with a team of developers in the design and implementation of a web application for client management.

Developed front-end interfaces using Html, css and javascript, resulting in a user-friendly and scalable platform.

Collaborated closely with UX/UI designers to ensure a seamless and intuitive user experience

Successfully delivered the project within the tight deadline, exceeding client expectation and receiving positive feedback.
